AUG 1950

The following questions are to be submitted to the desk officers of students being entered in the Basic Photographic Course. This information should be in the hands of the Chief Instructor, Technical Training, prior to the beginning of the course in which the student is entered in order that the student may receive the maximum benefit from the course.

1. Indicate the specific items of photographic equipment which the student will be expected to use.
2. Please indicate if there are any special techniques which the student will be expected to master or the specific type of work in which he will be mostly engaged (i.e., photographing small cards, large maps, interiors of rooms, etc.).
